

Joëlle Jones is available to do original drawings for your private collection. If you have a special request, please e-mail (joellejonesart@gmail.com) and let us know what it is. She's a comic book fan, so she'll entertain drawing most characters. She'll also consider other ideas, but she reserves the right to refuse if you're a sicko, so don't be one of those. The standard prices for black-and-white drawings are as follows, and they include domestic U.S. shipping via USPS:

* 9" x 12" 1 Character Pinup: - \$50

* 9" x 12" 2 Characters/More Detail: - \$75

* 11" x 17" Team Shot/Big Action: - \$100 and up, depending on detail

Sizes are a ballpark start; some drawings will end up being bigger.

For color illustrations, prices are double. Joëlle generally works in water colors, but she may consider other mediums depending on the project.

Portraits of people you know will include an extra \$20 surcharge due to the difficulty of likenesses.

We accept payment by check or money order, or if you're hanging out online, Paypal. Once again, sock us with an e-mail, and we'll set it up. Payment is preferred in advance. Delivery is generally within two months of Joëlle accepting the assignment.

International orders need to arrange shipping prices in advance. Generally, we ask for a \$15 flat fee for shipping outside the U.S. Anything other than regular mail in the U.S. will also be paid for by the buyer.

For professional print gigs, prices are different (for obvious reasons). Please inquire.

To purchase, e-mail joellejonesart@gmail.com. Prices do not include postage.
